

FOR IMMEDIATE RELEASE: August 13, 2012

PICKmeUP napkins are perfect for back to school lunches!

PICKmeUP napkins are colourfully designed cloth napkins with a printed uplifting message. Place a PICKmeUP napkin in your child's lunch box each day with messages like; "I love you", "Have fun" and "You Rock". Each day of the school week you will be able to tell your child that your thoughts are with them and make that transition back to school a bit easier.

PICKmeUP napkins are 100 percent cotton, perfectly sized to fit into lunchboxes and made in Canada. The set of 5 cloth napkins have a positive message on every napkin. Each napkin also has a sewn in label with space to write your child's name so that you can be assured it will find its way back home. Using PICKmeUP napkins is a great way to contribute to a waste free lunch and a fun way to teach your child how to reduce waste.

Currently there are two PICKmeUP napkin sets available and can be ordered online at www.PICKmeUPnapkins.ca. You can also follow us on twitter and facebook.
